My working mission statement

Mobilizing young professionals who are hungry to grow and believe God for cultural transformation in the workplace that will have an impact locally, nationally and the world.

In 8-12 words I do this:

I develop people, leaders and organizations to impact the world.

Based on my mission statement it intersects with my world of work.

Viewing my work as a daily calling and sharing one on one with the young professionals around me and starting a Bible Study in my office

My top 3 goals for the year according to my mission statement

- 1. Start a young professional Bible Study***
- 2. Help my church start a workplace ministry***
- 3. Go on a Priority Associates National Conference***
